Diagnosis of Protozoa and Worms Parasitic in Man (Classic Reprint) (Paperback)

By Robert W Hegner

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diagnosis of Protozoa and Worms Parasitic in Man This bulletin has been prepared for the use of physicians and public health workers who are called upon to diagnose diseases caused, by Protozoa and worms. No attempt has been made to include in the keys and descriptions all of the species that are now known. On the contrary, species that have been recorded only once or a very few times have been purposely omitted to avoid confusion. The information and figures contained in this bulletin have been selected from original articles in periodicals, and from reference and text books wherever available. Credit for the use of figures is given in every case in the descriptions of the figures. A few of the more important books and articles relating to the parasites described are listed at the end of the account of each group. Other lists will be found in the bibliographies contained in most of these books and articles. So far as possible we have verified statements regarding the organisms described, but errors are almost certain...
