Demos Medical Publishing. Paperback. Book Condition: new. BRAND NEW, Yoga and Scoliosis: A Journey to Health and Healing, Marcia Monroe, Loren Fishman, B. K. S. Iyengar, Yoga and Scoliosis: A Journey to Health and Healing is a deeply soothing form of moving meditation and a physical activity and is a safe way to rebuild strength, stamina and flexibility and to address the spinal curvature of Scoliosis without surgery. The book presents an evidence-based look at how this approach works. Dr Fishman has been treating individuals with Scoliosis with yoga for many years and has collected x-rays of his work, before and after, demonstrating actual lessening of the degree of curvature from the practise of Iyengar yoga. Yoga and Scoliosis: A Journey to Health and Healing is a source of encouragement, knowledge and healing for those who have Scoliosis and need to treat it, but want to avoid braces and/or surgery. It briefly covers the history and treatment modalities of Scoliosis and discusses the development of the spine in the embryo. Yoga and Scoliosis explores the complexities of the concept of alignment in the body, with the main part of the book showing how to address Scoliosis utilising Iyengar yoga. Four chapters give instruction in yoga asanas for Scoliosis and another chapter discusses yoga practise in daily living. Finally there is a Foreword by B. K. S. Iyengar, the founder of Iyengar Yoga.
