Print on Demand *****.When Jerry's mother is given two years to

live, he doesn't pay much attention until a picture falls out of his

wallet a year later. The visits and phone calls increase and

childhood memories are evoked. This concise memoir was

written for his nine adult siblings with families of their own.

These stand alone chapters follow the process of his mother's

diminishing life. First, the driver's license was handed over, then

her short term memory waned, and finally her independent

living became non-existent. After raising ten children on her

own, it was time for her children to help her through the

greatest transition of life. There is a section of Gerald's poetry

about his mother as well.
