You know, a sales book that actually has advice based on facts instead of guru B.S.? Here it is. You Sell Like a Second Grader: Grade School Lessons to Help You Sell More provides digestible lessons based on solid research to help increase your sales. Psychology, history, math, pop culture, and more will put an adult spin on second grade. This will break the sale-killing habits we learned as rug rats and reinforce the good lessons that have slipped away with quotas, idiot bosses, and the me-first society in which we now live.

Reviews

Great electronic book and helpful one. Of course, it is play, still an interesting and amazing literature. I am just delighted to inform you that here is the finest ebook I have got to go through in my own daily life and might be the finest pdf for actually.

-- Lora Johns III

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
