Our kids, my, my, Gracie, where did we go wrong? One marries God, another a Jew, and the last one, the devil! Texas, 1951. The Wolanskys-Grace, Bud and their three grown children-are a close-knit clan, deeply rooted in their rural community and traditional faith. On their orderly farm, life seems good and tomorrow always holds promise. But under the surface, it s a different story. Grace is beset by dark memories and nameless fears that she keeps secret even from Bud. Their son Andy has said no to becoming a farmer like his dad and, worse, fallen in love with a big-city Jewish girl. Youngest child Regina is trapped in a loveless marriage to an abusive, alcoholic husband. Even perfect daughter Angela s decision to become a nun takes an unforeseen turn. And then Ceil Dollard breezes into town. Ceil-wealthy, sophisticated, irrepressible-is like a visitor from Mars. She s a modern woman. She drives a car and wears pants. She blows away tradition and certainty, forcing Grace to face her fears and brave a changing world. Through Ceil, Grace learns about courage and freedom-but at the risk of losing Bud. Barbara Frances sparkling, richly human novel takes you back to a time when Ike was president and life was slower, but people were the same as now. You ll encounter a cast of characters storm-tossed by change, held together by love. Written with compassion, humor and suspense, Like I Used to Dance will charm you, warm you and even squeeze a few tears, from it opening number to the last waltz.
