*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Piraki Log (E Pirangi Ahau Koe): Or Diary of Captain Hempleman, With Introduction, Glossary Illustrations and Map A complete List of all Vessels mentioned in the Log has been added to those entered up as having been spoken by the Bee before February 17, 1836, and of the Hands on the Books; but only a few sample pages are given of the voluminous Slop Accounts, Lists of Stores in hand, Provisions served out, Whales caught, Gear lost, c., which are of no present interest except as illustrating the old-time method of book-keeping on a whaling-station. There is, however, much more to be learned from a careful perusal of these - quite the earliest - Canterbury (Middle Island) Records than the mere insight into the life of hardship, privation, and danger habitually endured by the adventurous Whaler in the Southern Seas of the ironically named Pacific Ocean; for this particular Record has the marked peculiarity of being at the same time a Diary of events on shore, and a Master-whaler s Log . Thus, the sailor-like daily chronicle, during the winter months of the Whaling-season, of the wind and weather experienced some seventy years ago, should be of as much interest to the twentieth-century Meteorologist, as the man-on-shore s complaint (December 19, 1837) against the Midsummer blizzards, so often experienced, will be cordially endorsed by the Sheep-farmer of the present day. Owing, also, to this quasi-amphibious nature of the Piraki Settlement, we are enabled to fix the exact date of Bishop Selwyn s first landing in the South Island, on a visit of inspection into the Missionary progress and further needs of that part of...
