Brand New Book ***** Print on Demand *****.High School senior to be Tate Robinson has encountered the biggest challenge of his young life - stepping out among his peers as an elected leader. Hopeful within the opportunity, Tate is soon thrown for a loop by being assigned the task of defining not what he should do in his position of elected leadership but who he should be. Daunted by the assigned task, Tate enlists the help of his closet mentor and teacher, Mr. Lee; to assist him. Soon, Tate becomes enthralled in a challenging mentorship based relationship with Mr. Lee that uplifts the principles of selfless leadership found in the definition of an Overseer. With the wisdom and faith based principles shared by Mr. Lee, Tate is able to embrace, apply, and grow within the characteristics of an Overseer. In the midst of his journey, Tate comes to find that lessons taught within these principles not only empower him as a leader among his peers but will be essential for who he becomes and who he is called to be. The Overseer - A Fable of Noble Leadership will stretch your understanding of leadership characteristics by placing focus on principles we are called to embrace but often omit. Through it s interpersonal backdrop, The Overseer displays the power of these principles in team, work, and home settings; all while showcasing the power of servant leadership and selfless mentoring.
