

## Understanding the School Curriculum: Theory, Politics and Principles

By Alex Moore

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Understanding the School Curriculum: Theory, Politics and Principles, Alex Moore, At a time of rapid social change and numerous policy initiatives, there is a need to question the nature and function of school curricula and the purposes of formal public education. Comparing curriculum developments around the globe, Understanding the School Curriculum draws on a range of educational, philosophical and sociological theories to examine the question 'What is a curriculum for?' In considering different answers to this fundamental question, it explores a range of topical issues and debates, including: \* tensions and dynamics within curriculum policy \* The implications of uncertainty and rapid social change for curriculum development \* the positive and negative influence of free market ideologies on public education \* the impact of globalization and digital technologies \* arguments for and against common core curricula and state control It examines the possibility of a school curriculum that is not shaped and monitored by dominant interests but that has as its founding principles the promotion of responsibility, responsiveness, a love of learning, and a sense of wonder and respect for the natural and social world. Understanding the School Curriculum is...
