

## Churches in Cultural Captivity: A History of the Social Attitudes of Southern Baptists

Filesize: 7.93 MB

### ***Reviews***

*It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.*

[Product Description: First published in 1972, by the late John Lee Eighmy, this addition to American social history explores Southern Baptists portrayal as a denomination lacking in social programs and failure to assume a leading role in combating social ills, but has shown an active sense of social responsibility throughout it's history since it's separation from Britain to modern times. In a revision of his introduction and conclusion to the first edition, Professor Samuel S. Hill analyzes Eighmy's findings and discusses their implications for contemporary Southern Baptist churches as they grapple with such issues as abortion, the role of women, and the relation between church and state.].
