GRIN Verlag Aug 2013, 2013. Taschenbuch. Book Condition: Neu. 211x146x10 mm. Neuware - Essay from the year 2013 in the subject Politics - International Politics - Topic: Peace and Conflict Studies, Security, grade: 1,7, , language: English, abstract: The center of gravity paradigm created and published by Carl von Clausewitz in his famous study about the appearance of war is nowadays still widely used to describe the core incitements and driving factors of warring factions, political parties, militias and even terrorist groups. In a short summary this military term of a center of gravity is defined as the one or few main forces where a party in a conflict drives its willpower and its strength from. It is a common element amongst the members and supporters of this group and with reference to Clausewitz's study, it is this key element the opponent needs to identify and to overcome in order to break the willpower of the party and to finally conquer them. For that reason various studies have been undertaken und research has been performed with regards to the center of gravity in warfare as well as the center of gravity for terrorist groups and esp. for Al Qaeda. In...
