Remote work, distributed teams, and virtual managers are a reality for many thousands in today's workforce. Working remotely can mean zero or low commuting stress, more independence, a great work-life balance, and enhanced productivity. On the flip side, it can mean being on call 24/7, isolation, scanty career enhancement opportunities, and loss of motivation. Carmela points out that, as a remote worker, you must understand your boss's perspective. She shows you how to be more aware of what your boss needs from you, how to communicate in a way that conveys your dedication without resorting to 3 a. m. emails, how to improve personal discipline, and how to gain the trust and confidence to be perceived as a high performer who deserves flexibility and autonomy. You will learn to understand, and even empathize, with the secret fears your boss has in managing you, and master practical strategies you can use to ensure your success.
