Second Annual Report. I. Organization And Administration. Commission, Officers and Employees. The term of office of Ellerton P. Whitney expired on November 30, 1920, and George B. Wason was appointed for the term of five years next succeeding. The Commission consists of James A. Bailey, Commissioner, Frank A. Bayrd, Frank G. Hall, William H. Squire and George B. Wason, Associate Commissioners. Frank G. Hall is Director of Parks, John R. Rablin, Director of Park Engineering; William E. Foss, Director of the Water Division; and Frederick D. Smith, Director of the Sewerage Division. All directors of divisions serve without extra compensation, receiving only the salaries attached to the other positions which they hold. A two years trial of this method of selecting directors proves it to be efficient and economical. The chief engineers are the persons best fitted to head their respective divisions, and the associate commissioner has supervised his division skillfully and effectively. It seems unnecessary and unwise to create new salaried positions under the name of directors of divisions.
