HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book. HarperCollins is proud to present its incredible range of best-loved, essential classics. It is with a heavy heart that I take up my pen to write these the last words in which I shall ever record the singular gifts by which my friend Mr. Sherlock Holmes was distinguished. This collection of eleven stories depict Holmes and Watson at their very best and solving some of their most notorious cases, culminating in The Final Problem . In this infamous tale, Holmes comes face-to-face with his greatest opponent, the criminal mastermind Professor Moriarty, at the Reichenbach Falls. Each of the stories was previously published in The Strand magazine before being released together in a single volume in 1894. This is a quintessential collection, and a must-have for collectors and fans of one of the finest sleuths in English literature.
