Indiana University Press. Hardback. Book Condition: new. BRAND NEW, Ahmedabad: Shock City of Twentieth-Century India, Howard Spodek, In the 20th century, Ahmedabad was India's "shock city." It was the place where many of the nation's most important developments occurred first and with the greatest intensity -- from Gandhi's political and labour organizing, through the growth of textile, chemical, and pharmaceutical industries, to globalization and the sectarian violence that marked the turn of the new century. Events that happened there resonated throughout the country, for better and for worse. Howard Spodek describes the movements that swept the city, telling their story through the careers of the men and women who led them.
