Being apart from his mama can be hard, but something unexpected helps Esteban remember that she always comes back. There are so many fun things to do in Mr. Walter s classroom, but Esteban still misses his mama while she s at work. One day, after giving Esteban two kisses and a hug (mwah mwah mmmm), Mama heads out the door--and forgets to take her gloves with her. As Esteban keeps the gloves safe, they help him remember something important: it can be hard to be apart from his mama, but she always comes back .with two kisses and a hug! This sweet story shows one child s experience with separation anxiety and his recovery from it. The book contains a page of information to help you connect the story to children s experiences, which makes it a great teaching tool for your classroom or child care setting.
