Reviews

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.

(Hadley Haag)

RAMAYANA: BK. 1: BOYHOOD

New York University Press. Hardback. Book Condition: new. BRAND NEW, Ramayana: Bk. 1: Boyhood, Valmiki, Robert P. Goldman, 'The books line up on my shelf like bright Bodhisattvas ready to take tough questions or keep quiet company. They stake out a vast territory, with works from two millennia in multiple genres: aphorism, lyric, epic, theater, and romance' - Willis G. Regier, "The Chronicle Review". 'No effort has been spared to make these little volumes as attractive as possible to readers: the paper is of high quality, the typesetting immaculate. The founders of the series are John and Jennifer Clay, and Sanskritists can only thank them for an initiative intended to make the classics of an ancient Indian language accessible to a modern international audience' "The Times Higher Education Supplement". "'The Clay Sanskrit Library" represents one of the most admirable publishing projects now afoot. Anyone who loves the look and feel and heft of books will delight in these elegant little volumes' - "New Criterion". 'Published in the geek-chic format' - "BookForum". 'Very few collections of Sanskrit deep enough for research are housed anywhere in North America. Now, twenty-five hundred years after the death of Shakyamuni Buddha, the ambitious "Clay Sanskrit Library" may remedy this state of affairs' - "Tricycle". 'Now an ambitious new publishing project, the "Clay Sanskrit Library" brings together leading Sanskrit translators and scholars of Indology from around the world to celebrate in translating the beauty and range of classical Sanskrit literature. Published as smart green hardbacks that are small enough to fit into a jeans pocket, the volumes are meant to satisfy both the scholar and the lay reader. Each volume has a transliteration of the original Sanskrit text on the left-hand page and an English translation on the right, as also a helpful introduction and notes. Alongside definitive...
