

Scotland's Sporting Buildings

By Nick Haynes

Historic Scotland. Paperback. Book Condition: new. BRAND NEW, Scotland's Sporting Buildings, Nick Haynes, In the year that Scotland plays host to the Commonwealth Games for the third time, this new book celebrates the diverse range and outstanding quality of historic purpose-built sporting architecture that exists across the country. With a focus on listed buildings - showcasing the results of a landmark, nationwide study undertaken by Historic Scotland - it charts the development of everything from sporting arenas and venues, to places where people gather to socialise after the game. Some of the nation's earliest sporting buildings are associated with grand properties and estates. A strong link existed between the nobility and the development of recreational pursuits - going all the way back to Scotland's oldest remaining sporting structure, the royal tennis court at Falkland Palace, built in the mid sixteenth century for James V. At the same time, many of Scotland's traditional sports can be traced to more popular and anarchic gameplaying. Early versions of golf, shinty and football were typically played in kirkyards, streets and public commons in the fifteenth to eighteenth centuries. Famously, curling was played by all ranks of society, but in rural areas it was particularly...
