Meredith Stratton, at forty-four the owner of six elegant international inns, is about to celebrate her daughter's engagement. Her doctor cannot find a physical cause for her debilitating symptoms, and, desperate for answers, she seeks the help of a psychiatrist. Through therapy Meredith peels back the layers of her life to discover the truth behind her most careful creation - herself. Determined to get well, Meredith traces her roots back to another country where she learns about childhood experiences that dramatically changed her life. What she discovers is not only the key to the past but to her future happiness and fulfilment as a woman.
