Great inspiring events will mark this year in all our activities, and it is with the greatest satisfaction that we note the reservations being made for this Centennial Jubilee summer. We are mailing this beautiful Review so that you may make your plans according to the special events mentioned in its pages and we are hoping you will interest other friends who are planning a vacation for the summer. This is to be the most interesting year the New Chautauqua has ever known. Our pleasure facilities have increased and the beauty of the grounds are beyond criticism; in fact, the opportunities for unequalled pleasure are legion; the tennis courts, baseball field, boating, fishing and hunting, all attract our many friends. The moving pictures, musicals, concerts and other entertainments at the auditorium afford much amusement for evenings. The unselfish service of the Ladies Civic Improvement Association has made Chautauqua a clean, beautiful, restful and healthy place for men, women and children. The swimming pool is one of the greatest features; the water is kept pure and clean, there are teachers to instruct and care for those who wish to learn to swim. There are guards in constant attendance to prevent any fatalities and children are given special attention at all times. This beautiful retreat can be reached by train, boat or automobile and is accessible from any point. Consider spending this vacation with your friends...
