Dover Publications. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.2in. x 5.1in. x 0.6in. The self-interested disregard of a dying womans bequest, an impulsive girls attempt to help an impoverished clerk, and the marriage between an idealist and a materialist all intersect at a Hertfordshire estate called Howards End. The fate of this beloved country home symbolizes the future of England itself in E. M. Forsters exploration of social, economic, and philosophical trends, as exemplified by three families: the Schlegels, symbolizing the idealistic and intellectual aspect of the upper classes; the Wilcoxes, representing upper-class pragmatism and materialism; and the Basts, embodying the aspirations of the lower classes. Written in 1910, Howards End won international acclaim for its insightful portrait of English life during the post-Victorian era. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
