The challenge for composers and librettists was to give these legendary characters common feelings - to put little sorrow in great souls - so that ordinary people could easily identify with on stage dramas. Composers turned to stories about simpler, more realistic characters, creating a whole new set of challenges in the process. Nobody knew that better than Giacomo Puccini whose operas tell us that at some point in their lives, people everywhere, in all walks of life, endure the same trials: love and envy, loss and heartbreak.
