The information in this book came from my notes from a series of seminars that I ran for a group of newly hired engineers and technical people in the mid 1990 s. I have attempted to give the student a brief, but focused insight into the general realm of Physics and how it relates to their work a day world. ABOUT THE AUTHOR Jay Hooper has taught for over 25 years in the North Carolina community college system and has worked in industry for 15 years. He has served as a consultant on various projects for over 30 years. He is currently involved with several endeavors with business and industry from his home base in Salisbury, NC through Freeu.
