Reviews

Absolutely essential study book. It normally is not going to charge excessive. I am delighted to inform you that this is basically the finest ebook we have study during my very own lifestyle and can be he greatest publication for at any time.

(Dr. Willis Paucek II)

WELCOMING WAYS

Cedco Publishing Company, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Welcoming ceremonies are an opportunity to establish an environment of love and to create a community of caring for a newborn child. In Welcoming Ways, author Andrea Alban Gossline draws from the wisdom and rituals of the world's baby-welcoming customs to offer suggestions for creating personal and meaningful ceremonies -- each accompanied by heartwarming images by illustrator Lisa Burnett Bossi. Nine complete at-home celebrations are described in full detail, including readings for parents and honored loved ones, ideas for making altars and sacred spaces, and activities that allow young children to participate in the happy event. Welcoming Ways is an indispensable guide for families seeking to welcome their babies into modern world with the wisdom of ancient tradition.
